# Instructions

---

Since this product is flammable, the instructions for use must be followed.

What is included?

- Burner
- Decorative Rocks
- Glass & handles
- Flat fire extinguisher

- 
- Do not use any fuel other than bioethanol.
  - Put a minimum of 1 L of fuel into the fuel tank of the fire pit.
  - To prevent the fuel from causing damage to the product surface, it is recommended to use a funnel when filling the fuel reservoir. In case of any fuel splashes on the product surface, it is advisable to clean it as soon as possible.
  - If used outdoors, keep the product covered to prevent the fuel tank of the fire pit from getting water.
  - Do not touch the glass and metal parts while the fire is burning.
  - Do not pour fuel directly onto the fire while it is burning.
  - Do not carry the product while the fire is burning.
  - Extinguish the fire only with "Fire Extinguisher".
  - Never pour water on the fire.
