Seat Height: 18 in (45.7 cm)
Seat Depth: 21 in (53.3 cm)
Arm Height (at slope peak): 24 in (61 cm)

Description

Sculpted with continuous curves and grounded on a low oak plinth, the Raider Chair captures quiet strength in a refined silhouette. Its fully upholstered shell wraps seamlessly into a generous seat cushion—an elevated nod to 1970s lounge forms—crafted for both comfort and contract durability. Perfect for lobbies, suites, or intimate seating corners.

“Soft power, sculpted to stay.”
