## Father & Son

SHARING  
THEIR PASSION  
FOR CONTEMPORARY  
DESIGN

COUTURE Jardin is a family-owned company of contemporary outdoor furniture, it was founded in 2009 by Canadian designer-entrepreneur Normand Couture and his son, Philippe.

During school breaks, Normand's son would often work on dad's upholstery line in Montréal, little did anyone know at the time, that he would eventually join his father 10 years later.

Philippe came on board as the CEO of COUTURE Jardin relocating the whole operation to Florida, USA, to better serve the fast growing company.

Today, as a father and son team, we can pride ourselves for having established a significant brand highly esteemed by contemporary design addicts worldwide. We are sharing, together, our passion to deliver, in a timely manner, authentic designs of high quality at a fair price for both residential , commercial and hospitality markets.

While we cannot talk about tradition yet, we can surely envision the next decades with a great enthusiasm, seems like...a tradition in the making !

The company is headquartered in Fort Lauderdale, Florida with showrooms and warehouses in North America and Asia and great people to take care of you.

COUTURE Jardin owns numerous design protections worldwide and preserves his intellectual property.

CERAMIC-COATED GLASS

Light grey marble

A photograph of an outdoor patio area. In the foreground, a large, white, protective cover is draped over a piece of furniture, likely a sofa. The cover is slightly wrinkled and has a hemmed edge. In the background, a blue-grey outdoor sofa with cushions is visible, partially obscured by the cover. There are green bushes in the foreground and background. The lighting suggests it's daytime. The text 'ESCAPADE' is overlaid in white, sans-serif font on the right side of the image.

Everyone needs an escape,  
this one is pretty unique.

For picture only, ESCAPADE does not float.

Small or big, boats have always been an invitation to adventure, our ESCAPADE is not any different. It is simply waiting for you to embark in life's good moments. Read a good book, have a nap or simply do "nothing" you deserve it. Sail away has never been so easy and... no storm to worry about

The resulting polyester powder-coated surface is flexible and thus knock and scratch resistant, impervious to moisture, highly resistant to corrosion and easy to clean.
